Autumn Purple Ash

Fraxinus americana, 'Autumn Purple'

Glossy green summer foliage
Spectacular fall foliage
Highly adaptable to various types of soil
Relatively drought resistant
Type – Deciduous Tree
Mature Height 50 – 70 ft.
Mature Width 30 – 50 ft.

The Autumn Purple Ash is a regal looking tree that makes a great focal point for your lawn. The glossy green foliage turns red and then to a brilliant deep purple in the fall. The Autumn Purple Ash holds its fall color longer than most trees allowing you to enjoy the show for the entire season. The Autumn Purple Ash tree makes a great tall shade tree.
